CEMETERY IS TEMPORARILY CLOSED: This past winter, many of the white pines in our cemetery were severely damaged in an ice storm. There are many branches down and some broken branches that are still dangling from the trees. We cannot get into the cemetery with the equipment needed to repair the damage until the snow melts and the grounds harden. For the time being, until further notice, the St. Paul's Community Cemetery remains closed to all visitors. This is being done purely as a safety precaution. Rest assured that so far it looks like there

has been no damage to any monuments or grave sites. If you have any questions, please contact Michael Mavis at [613-256-2431](tel:6132562431).

PRAYER BINDER: At the back of the church, there is a small wooden box in which people are encouraged to write prayer requests which are then brought forward with the offering. These are silent, private prayers that remain between the prayer and God. In addition and beginning this week, there will be a prayer binder at the back of the church. People are welcome to write down prayer requests that will be given to the intercessor for the prayers of the people.
