Frequently Asked Questions

What about the church services for the next few weeks? Worshipping at St Paul's will continue as it has for over 150 years, with only minor adjustments required. Your patience and co-operation are appreciated.

What about July 15 and 22nd services? Both 8:30 and 10:30 will most likely take place in the Church Hall (basement). It is generally cooler there, and the smell of drying varathane will be less as they will refinish this area first. Those with particular sensitivities to odours, please note!

How long will we be out of our beautiful worship space? If all goes as planned, and weather and workmen's schedules do not complicate, carpeting installation will begin on Monday July 23rd for 2-3 days. After completion of the carpeting, the church will be “put back together”.

**Please let Wendy and Bob know of your availability to help.
Thank you for your support.**
